

Kathleen Bathory, EXECUTIVE COACH

Kathleen's depth of over 25 years of business and non-profit experience supports her coaching towards practical and powerful results for her clients.

Kathleen brings a grace and special sensitivity to her coaching clients such that from deep mutual and inner trust, her clients make profound change.

Areas of Specialty

Certification in EQi (Emotional Intelligence) and Bar-On EQ-360 Assessments

Language and Behavioral (LAB) Profiles

Social Style Indicator (SSI) Assessments

Kathleen has a passion for coaching corporate leaders, small business owners and entrepreneurs to higher levels of personal development and leadership success. She coaches from a place of experience and trust, encouraging change with accountability for results.

Kathleen is recognized for her clarity and understanding of client's needs, aptitudes and objectives. She emphasises personal empowerment... thinking differently and identifying solutions to workplace and personal challenges. She typically focuses on styles and abilities to pinpoint areas of opportunity, goal setting, and development strategies. She has her clients develop a personal declaration that allows them to fully stand in who they want to be. Her clients report a heightened awareness and new levels of success.
